### Parish Mission Statement

We, the people of St. Anthony Mary Claret Parish, have as our mission to open our hearts and doors to those from all walks of life so that they too may share in the everlasting presence of God. Together we strive to grow closer to Jesus Christ through the Holy Eucharist. We work to foster the development of the parish, not only to strengthen our own spiritual awareness, but to impact the community as a whole.

### GOSPEL MEDITATION:

#### LK 16:19-31

If you saw someone dead come to life tomorrow, what would you change about your life? Would you say “nothing”? That’s what Jesus seems to hope. After all, we already know what to do. In this Sunday’s Gospel, a rich man and a poor man pass away, the former to damnation and the latter to peaceful rest alongside the Jewish patriarchs. The rich man asks if the poor man can appear to his brothers and advise them to live a more virtuous life. The parable offers a strong rebuke: “They have Moses and the prophets. Let them listen to them.” In other words, they should already know what to do.

We, too, know what to do. More than Moses, Jesus Christ himself has spoken, and continues to speak through his Church. The rich man did not heed the wise words, despite knowing them. If we are convicted against certain Christian teachings in our heart, how much good will miraculous “proofs” do? We know more than the law and the prophets — we know the prophetic law of love proclaimed by Jesus Christ. Are we living like we believe it?

Where in our lives are we like the rich man? Do we know how to treat the poor but still we *Cont'd on page 2* →

ignore them in our excess? Do we know the third commandment, but the Sunday liturgy feels "optional" when other weekend commitments arise? Have we heard Christ's teachings on sexuality, but consider them out of reach for us? We have received a great many truths as Christian people. We are blessed by God with the sacraments and the abundance of His graces. We have what we need — in Him — to begin to live a virtuous life now.

**LIVE THE LITURGY - INSPIRATION FOR THE WEEK**

People often think that if they witness something miraculous, it would bring them to a greater faith and motivate them for greater involvement. Such is not necessarily true, as coming to a real and authentic faith still requires that we struggle with ourselves a bit and change our approach to living. Authentic faith is acquired when we see wisdom and life in the words of the prophets and in the teachings of Jesus Christ. All of these point us to a God who has a particular set of priorities for how life is meant to be lived. We have to avoid the trap of complacency that is rooted in preserving our own self-interests and living lives that pursue "righteousness, devotion, faith, love, patience, and gentleness." (1 TM 6: 11) Complacency keeps us stuck in the status quo and prevents us from working toward respect for life, equality, and justice, and from advocating on behalf of the needs of the poor, the homeless, and the alien. Are you complacent?

**LOVE & MARRIAGE****Catholic Marriage FAQs—Part 2 of 3****What is a Nuptial Mass and when can a couple have one?**

A Nuptial Mass is a Mass which includes the celebration of the sacrament of marriage. It has special readings and prayers suitable to the Sacrament of Marriage. The Sacrament of Marriage between two baptized Catholics should normally be celebrated within Mass.

If the situation warrants it and the local bishop gives permission, a Nuptial Mass may be celebrated for a marriage between a Catholic and a baptized person who is not a Catholic, except that Communion is not given to the non-Catholic since the general law of the church does not allow it. In such instances, it is better to use the appropriate ritual for marriage outside Mass. This is always the case in a marriage between a baptized Catholic and a non-baptized person.

**Are weddings permitted on Sundays or during Lent?**

Church law allows weddings to be held during most days of the year, except the Triduum. However, many parishes do not schedule weddings on Sundays because of the conflict with regularly scheduled Masses and other parish activities. In addition, some dioceses and parishes do not allow weddings during Lent, a season of penance.

**What should a couple do when they decide that they want to marry in the Catholic Church?**

They should contact their parish as soon as possible and make an appointment to talk with the priest, deacon or staff person who is responsible for preparing couples for marriage. This person will explain the process of marriage preparation and the various programs that are offered.

**Why does the church require engaged couples to participate in a marriage preparation program?**

Marriage preparation offers couples the opportunity to develop a better understanding of Christian marriage; to evaluate and deepen their readiness to live married life; and to gain insights into themselves as individuals and as a couple. It is especially effective in helping couples to deal with the challenges of the early years of marriage.

**What kinds of marriage preparation programs does the church offer?**

Depending on the diocese and the parish, several may be available. Programs include a weekend program with other couples, such as Catholic Engaged Encounter, a series of sessions in large or small groups or meetings with an experienced married couple. Some programs may be offered in Spanish and other languages. Specific programs address particular circumstances, such as remarriage, children brought into the marriage and marriage to a non-Catholic. As part of their preparation, many couples complete a premarital inventory, such as FOCCUS, to identify issues for further discussion.

**What key issues are covered in marriage preparation?**

Marriage preparation programs help couples to understand the Christian and the human aspects of marriage. Typical topics include: the meaning of marriage as a sacrament; faith, prayer and the church; roles in marriage; communication and conflict resolution; children, parenthood and Natural Family Planning; finances; and family of origin.

**Is there a cost for marriage preparation programs?**

Most programs charge a modest fee to cover the cost of materials. Programs that require an overnight stay will include an additional cost for rooms and meals. Assistance is frequently available for couples who would otherwise be unable to participate.

**Words of Life**

Every child conceived by in vitro fertilization is truly deserving of respect and love: Each is a human person, regardless of the manner of conception. The problem is that the way they are brought into the world does not live up to their dignity.

—“Life Matters: Reproductive Technologies,” Respect Life Program 2011-2012

**Palabras de Vida**

Todo niño que se concibe mediante la fertilización in vitro es sin duda merecedor de respeto y amor: cada uno de ellos es un ser humano, más allá de la forma en que fue concebido. El problema es que la manera en que llegan al mundo no hace honor a su dignidad.
