Parish Mission Statement

We, the people of St. Anthony Mary Claret Parish, have as our mission to open our hearts and doors to those from all walks of life so that they too may share in the everlasting presence of God. Together we strive to grow closer to Jesus Christ through the Holy Eucharist. We work to foster the development of the parish, not only to strengthen our own spiritual awareness, but to impact the community as a whole.

GOSPEL MEDITATION: LK 14:25-33

It's said that upon reading the Gospels, Gandhi commented that he very much liked Jesus Christ. It was Christ's followers he found troublesome. One wonders who Gandhi had met and if these Christians had truly counted the cost of their faith. Following Jesus, really following Jesus, is much more challenging than we may think. He emphasizes this with strong language in this Sunday's Gospel. He compares discipleship to the carrying of one's own execution device—"his own cross"—and for the need even to "hate" what could disrupt one's commitment. Some of this is standard hyperbole, exaggeration for effect common to the time period. Some of this should make us wonder how deep our discipleship goes.

"Which of you wishing to construct a tower does not first sit down and calculate the cost?" Jesus imagines this construction project gone wrong. Someone may lay the foundation but not have enough resources to finish. We've received the firm foundation of the sacraments — our baptism, for one, along with weekly Mass attendance and regular confession. Yet how often do we find ourselves too distracted, exhausted, *Cont'd on page 2* →

GOSPEL MEDITATION, *Cont'd from page 1*

or uninterested to truly build our lives on our faith? We have all met such Christians. Some days, we may be those Christians ourselves. We become the incomplete tower that confuses and baffles the onlookers. "This one began to build but did not have the resources to finish!"

For some of us, our cross may feel heavier than we expected upon the first lift. Building a tower means laying stone upon stone. It's a process. We don't arrive at completion overnight. Grace is always sufficient to provide the resources, but we need to keep saying yes to the task. This week, consider your own discipleship. What is one area where you've become distracted or discouraged? How can that improve this week? Let God lay another brick on the tower.

LIVE THE LITURGY - INSPIRATION FOR THE WEEK

Hearing and listening are two different things. Even in our human relationships, people can hear what we are saying, but are they really listening? This is true with God as well. We hear God's word as it comes to us through Sacred Scripture, but are we really listening to it? Listening requires a good dose of humility and openness to the one who is speaking. It requires that we free up some of our personal space so that we can be available and receptive to another person and to God. Listening does not require the use of words. We can listen to God through art, creation, the unfolding of life, and the human story. Truly listening to God provides us with the direction of where we need to go, how we are to live, what we are to choose, and what we must avoid. Listening prepares and anchors us. Are you listening?

RESPECT LIFE

Healing within Marriage from an Abortion

Read the full version at
respectlifeprogram.org/healing-in-marriage.

When Susan's* husband, Juan, told her about the abortion he was involved in during college, she finally understood why he was so depressed and had trouble bonding with their children. The devastation of abortion brings with it many challenges. Often, the people who have participated in an abortion are unaware of the countless ways it is affecting their lives. It is scary to tell a spouse or fiancé(é) about a past abortion. It requires great trust in that person's love and trust in God. But with the help of an abortion healing ministry, couples can successfully work through abortion-related challenges. God's grace can bring true healing to the relationships of those who trust in His infinite mercy.

**God's grace
can bring true
healing.**

Intercessions for Life

For solidarity and peace in our global human family: that we may work together to protect the lives of those who are most vulnerable; we pray to the Lord.

PARISH SPIRITUAL ADOPTION PROGRAM: YOUR UNBORN BABY AT 1 MONTH

Your spiritually adopted baby has been quite active over the past month. Already your baby is 10,000 times bigger than at conception and developed the foundations of his brain, spinal cord, and nervous system by the 20th day. His heart began to beat on the 21st day and is pumping blood through its own circulatory system. The blood type can be different from the mother's. Your baby is most vulnerable to being aborted during the next month. Pray that the Lord of Life might move the heart of his mother to give him the most precious gift of all: the gift of life.

Prayer: For the good health and safety of the unborn babies that were spiritually adopted by our parish family, let us pray to the Lord.
