Parish Mission Statement

We, the people of St. Anthony Mary Claret Parish, have as our mission to open our hearts and doors to those from all walks of life so that they too may share in the everlasting presence of God.

Together we strive to grow closer to Jesus Christ through the Holy Eucharist. We work to foster the development of the parish, not only to strengthen our own spiritual awareness, but to impact the community as a whole.

GOSPEL MEDITATION:

JN 4:5-4

We give the definition of ourselves over to so many things. We allow our society, friends, family, work, social groups, ethnicity, and even institutions define, classify, and color how we perceive ourselves. When we listen predominantly to the voices of others, we lose touch with what is happening within our own inner voice. If we listen carefully within, we can easily discover that we are in want and need. We know our incompleteness and also know that loneliness, sadness, and self-images can propel us outward in attempts to fill those gaps. We can become not only victims of our own prejudices but can find ourselves overly self-indulgent in things that can only satisfy for a short time, if at all.

It is no wonder that money and power are things that are so fervently sought after. As long as we can keep a steady supply going, the illusion of fulfillment and satisfaction can falsely persuade us as craftily as a master magician's act. We live with illusions not truth. It is no wonder, then, that some of the wealthiest folks are also really the unhappiest. Whether we admit it, the lies we live and pursue will ultimately expose our superficiality. We all have to wrestle with who we are and what gives our lives purpose and

meaning. Learn to listen more deeply, not to what others are saying about you, but to what God is echoing in your heart.

We can easily get confused and misunderstand, not only about who we are but who God is. Even the disciples and the Samaritan woman at the well missed the point Jesus was trying to make. There is only one Person who can satisfy the deepest yearnings and longings of our hearts — Jesus the Messiah. It is not the work of corporate America that will lead us to happiness or greatness but the work of the soul. We continue to resist acknowledging this and are happier in our world of misunderstanding and illusion. The life-giving water we truly need doesn't come from the source of a well but from the Source of Life. Only God can reveal the truth of our sinfulness, the superficiality of our pursuits, and the illusions we hold so dear. Only Jesus can save us from ourselves and give us what we really need. If only our heads can catch up with where our hearts know they need to be, then will we find real contentment and life!

LIVE THE LITURGY - INSPIRATION FOR THE WEEK

"Is the Lord in our midst or not?" Have you ever found yourself asking this question? Finding God's presence and truly encountering God are not always easy tasks. When we seek God only with our minds, we risk reducing God to simply an idea rather than meeting him as someone who is real and actually present to us. We all have to wrestle with who we are and what gives our lives purpose and meaning. We can often get confused and misunderstand not only who we are, but who God is. Even the disciples and the Samaritan woman at the well missed the point

Jesus was trying to make. There is only one person who can satisfy the deepest yearnings and longings of our hearts. Only Jesus can lead us to truth and provide the water that can quench our thirst. Each of us, not only with our heads but with our hearts, must come to see that Jesus is the Savior of the world. It is only when we can honestly make this confession that we will know God is truly present. ©LPI

AN IMPORTANT MESSAGE FROM THE ARCHDIOCESE OF SAN ANTONIO

Archdiocese issues new precautionary guidelines regarding coronavirus for parishes & schools

In response to the March 2 Declaration of a Public Health Emergency by the Mayor of San Antonio and a similar action taken by the Bexar County Judge, along with advisement from the Centers for Disease Control and Prevention regarding the coronavirus, the Archdiocese of San Antonio is now recommending precautions in regards to the celebration of the liturgy.

Parishes are requested to temporarily distribute Holy Communion in the hand rather than on the tongue; temporarily discontinue the distribution of the Precious Blood at Mass; remove holy water from fonts at the church doors; and to avoid physical contact would be advisable. Other dioceses in the state and nationally have adopted these temporary measures. As has been stated previously, the archdiocese is closely monitoring the situation, and updates regarding the temporary suspension of these Mass practices will be

provided in a timely manner. It is important to note that health and civic authorities maintain that the risk of coronavirus exposure to the public is low.

Pastors have discretion in instituting these directives in their parishes, in light of local needs and protocols. Archbishop Gustavo García-Siller, MSpS, requests everyone pray for the good health of all people in the world and our communities. "Peace I leave with you, my peace I give you. I do not give to you as the world gives. Do not let your hearts be troubled and do not be afraid," John 14:27.

We also strongly encourage all to follow the simple recommendations from the CDC regarding:

- Wash your hands often with soap and water for at least 20 seconds, especially after blowing your nose, coughing, sneezing, going to the bathroom, and before eating or preparing food.
- Avoid touching your eyes, nose, and mouth with unwashed hands.
- Stay home when you are sick.
- Cover your cough or sneeze with a tissue, then throw the tissue in the trash.

For Catholic schools, in addition to the steps listed above, cleaning classroom tables and surfaces to sanitize frequently is strongly emphasized. Further discussions regarding future plans are ongoing.

For more information, see <https://www.sanantonio.gov/Health/News/Alerts/CoronaVirus>.

Arquidiócesis emite nuevas pautas de precaución para parroquias y escuelas con respecto a coronavirus

En respuesta a la Declaración de Emergencia de Salud Pública hecha el 2 de marzo por el alcalde de San Antonio y a una acción similar llevada a cabo por el juez del condado de Bexar, junto con directrices de los Centros para el Control y la Prevención de Enfermedades (CDC por sus siglas en inglés) con respecto al coronavirus, la Arquidiócesis de San Antonio está recomendando que se tomen precauciones para la celebración de la liturgia.

Se pide a las parroquias que distribuyan temporalmente la Sagrada Comunión en la mano en lugar de en la lengua, que se suspenda temporalmente la distribución de la Sangre de Cristo en la misa, que se retire el agua bendita de las fuentes a las puertas de las iglesias y sería aconsejable evitar el contacto físico. Otras diócesis en el estado y a nivel nacional han adoptado estas medidas temporales. Como se indicó anteriormente, la Arquidiócesis está monitoreando de cerca la situación y oportunamente se proporcionarán actualizaciones sobre la suspensión temporal de estas prácticas en la misa. Es importante tener en cuenta que las autoridades sanitarias y cívicas sostienen que es bajo el riesgo de exposición al coronavirus para el público.

Los párrocos pueden establecer estas directrices en sus parroquias discrecionalmente, a la luz de las necesidades y protocolos locales. El Arzobispo Gustavo García Siller, MSpS, solicita que todos oren por la buena salud de todas las personas en el mundo y en nuestras comunidades. "Les dejo la paz, mi paz les doy. Una paz que el mundo no les puede dar. No se inquieten ni tengan miedo" (Juan 14,27).

También alentamos a todos a seguir estas simples recomendaciones de los CDC:

- Lávese las manos con frecuencia con agua y jabón durante al menos 20 segundos, especialmente después de limpiarse la nariz, toser, estornudar, ir al baño y antes de comer o preparar alimentos.
- Evite tocarse los ojos, la nariz y la boca con las manos sin lavar.
- Quédese en casa cuando esté enfermo.
- Cubra su tos o estornudo con un pañuelo desechable, luego tírelo a la basura.

Para las escuelas católicas, además de los pasos enumerados anteriormente, se subraya enfáticamente la limpieza de las mesas y superficies de los salones para desinfectarlos. Hay más discusiones en curso sobre planes futuros.
