## Parish Mission Statement

We, the people of St. Anthony Mary Claret Parish, have as our mission to open our hearts and doors to those from all walks of life so that they too may share in the everlasting presence of God.

Together we strive to grow closer to Jesus Christ through the Holy Eucharist. We work to foster the development of the parish, not only to strengthen our own spiritual awareness, but to impact the community as a whole.

## GOSPEL MEDITATION: MT 17:1-9

Psychology has taught us a great deal about family dynamics and how we have come to be the person we find ourselves to be. We are comprised of such a mixed bag of blessings and obstacles with their graced moments and sinful ones. Think back on the journey of your life and how the many different and varied choices that you made influenced its direction. If you didn't go on that first date with your spouse, who would be beside you today? If you chose to be in one place rather than another, what would have happened to the course your life has taken? We are on such a wonderful, exciting journey. What is most incredible and awesome is that we are not alone! God is with us. He inspires, heals, opens doors, and calls us every moment of our lives. The very life we have is due only to Him.

We can all sit down and list adjectives describing who we are. One may find him or herself more artistic than another or quicker with wit. We have unique gifts and talents and have the great gift of free will, which we treasure. Our histories come with more baggage for some and less hurdles, →

#### GOSPEL MEDITATION, *Cont'd from page 1*

for others, but we all have to find our way through the path we are on. However, have you ever given much thought to who you really are? That question has more merit than may at first appear.

We know ourselves as we live out our earthly journey. But do we know our heavenly self? What we know here is only one small part of who God has made us to be. The disciples really thought they knew Jesus until they went up the mountain. We also may think we know our true selves, too. We know that in eternal life we shall not only see God, but become like Him. Who will you be? What surprise do you think God has for you?

#### LIVE THE LITURGY - INSPIRATION FOR THE WEEK

Have you ever given much thought to who you were really created to be? Our lives are the product of various circumstances, choices, predetermined scenarios, and a whole host of events and inherited baggage. All of these components come together and form the person we understand ourselves to be. Jesus knew who he was and who he was becoming. He showed his transfigured self to his disciples on a high mountain and revealed to them who he was really meant to be. The weaknesses, imperfections, fears, and impressions that we carry with us often color our choices and hinder us from really seeing the greater picture of who we are. What do you imagine your transfigured self to be? Jesus promises a new life in heaven. Have you ever given much thought to what that may mean for you?
