GOSPEL MEDITATION:

JN 12:20-33

Any good teacher or parent will tell you that once a lesson is really learned it doesn't need to be taught again. When we internalize things we have learned, they become a part of who we are and influence how we perceive and interact with our world. The same is true for the law God has written upon our hearts. Once humanity learns this lesson, we will simply know it to be true and act accordingly. Sometimes, it is hard to get people to learn the lessons they need to learn. They are often distracted, disinterested, conflicted, misdirected, or just too stubborn and unable or unwilling to see what is right before their eyes. Understanding that God is in a loving and committed relationship with those fashioned and formed in God's own image, seems like such a simple lesson to learn. But history and experience has proven that it is not.

We struggle with faith, especially when that faith asks us to learn something very particular about ourselves. We must, like a grain of wheat, fall to the ground and die. Because God's DNA is at the very core of who we are, there are specific pearls of wisdom that must be acquired before we can live a full life. One very powerful lesson is that it is not the task of the world to tell us who we are and what has meaning, but God. For many, death is not an opportunity for greater life but a permanent ending to the life they have known. Jesus knew every dimension to what it means to be fully human because he was! He knows the joys, limitations, sorrows, frustrations, wonders, suffering, opportunities, and joys of the human experience. Jesus can teach us a wealth of knowledge and life's lessons from his example, especially obedience.

Parish Mission Statement

We, the people of St. Anthony Mary Claret Parish, have as our mission to open our hearts and doors to those from all walks of life so that they too may share in the everlasting presence of God.

Together we strive to grow closer to Jesus Christ through the Holy Eucharist. We work to foster the development of the parish, not only to strengthen our own spiritual awareness, but to impact the community as a whole.

IN OUR PARISH

Welcome! As pastor of St. Anthony Mary Claret Catholic Church, I want to express welcome from all of us to you for choosing to become a member of our parish family. We hope you will always feel at home here and that our worship and other parochial services will fulfill your spiritual needs.

Please complete an online registration form at samcsa.com or a printed one which you can find near the church entrance in the narthex. Return it to the parish office or drop it in the collection basket at your convenience. I hope you feel welcome here!

Sincerely in Christ, Rev. Jan P. Klak

GOSPEL MEDITATION, *Cont'd from page 1*

When we accept the law God has placed in our hearts and gain wisdom from it, then when we suffer we learn to listen more attentively to the Voice behind that law. We naturally flee to our Creator for inspiration, consolation, hope, direction, and comfort as we navigate through this time of darkness. We will not need to run from it, subdue it, fight it, or be overcome by it because we will know, having internalized this profound lesson before, that God will bring new life. God's law is love and love never fails. Even in the moments of Jesus' deepest despair, he glorified the name of his Father. What he learned allowed him to put everything in perspective and be obedient to the tender, loving Voice that echoed within. As Lent quickly winds down, may we learn the same! Then, may we gain the fortitude and wisdom to help others see what is right before their eyes. ©LPI

Truth about the Equality Act

The bill is well-intentioned but ultimately misguided. The Equality Act discriminates against people of faith, threatens unborn life, and undermines the common good.

Human dignity is central to what we believe as Catholics. Every person is made in the image of God and should be treated accordingly, with respect and compassion. That means we need to honor every person's right to be free of unjust discrimination.

The Equality Act purports to protect people experiencing same-sex attraction or gender discordance from unjust discrimination. Although this is a worthy purpose, the Equality Act does not serve it. And instead of respecting differences in beliefs about marriage and sexuality, the Equality Act discriminates against people of faith precisely because of those beliefs. In the process, the Equality Act codifies the new ideology of "gender" in federal law, dismissing sexual difference and falsely presenting "gender" as only a social construct.

The Equality Act:

- *exempts itself from the bipartisan Religious Freedom Restoration Act, in an explicit and unprecedented departure from one of America's founding principles, thereby infringing on religious freedom and making it more difficult for individuals to live out their faith.*
- *forces religiously operated spaces and establishments, such as church halls, to either host functions that violate their beliefs or close their doors to their communities.*
- *requires women to compete against men and boys in sports, and to share locker rooms and shower facilities with men and boys.*
- *forces faith-based charities that serve all people to violate their religious beliefs, and threatens the welfare of thousands of beneficiaries of charitable services such as shelters and foster care agencies, by forcing a multitude of them to be shut down.*
- *jeopardizes existing prohibitions on the use of federal taxpayer funds for abortion, likely pressuring or even mandating the performance of abortions by health care providers in violation of their consciences, and ultimately ending more human lives.*
- *hinders quality health care, by forcing health care professionals, against their best medical judgment, to support treatments and procedures associated with "gender transition."*

The Catholic Church is the largest non-governmental provider of human services in the United States, helping millions of Americans in need through its parishes, schools, hospitals, shelters, legal clinics, food banks, and charities. Our core beliefs about the dignity of the human person and the wisdom of God's design motivate both our positions on marriage, life, and sexuality, and our call to serve those most in need and the common good. By running roughshod over religious liberty, the Equality Act directly undermines the Church's ability to fulfill that call.

The Equality Act discriminates against people of faith and threatens unborn life. Take action.

Lord, we thank you for giving us the gift of the priesthood, a "gift and mystery," a call to follow and imitate Christ, your Son. We pray, Lord, as you continue to place the call to serve our people as priests in the hearts of many, that they will hear your voice and respond with joy and generosity to your great grace of love. We pray that through the intercession of Mary, our Blessed Mother, you grant us many more vocations to the priesthood and that each family and parish be a place where we can all nurture and encourage the young men of today to hear and follow your call. Amen.
