Parish Mission Statement

We, the people of St. Anthony Mary Claret Parish, have as our mission to open our hearts and doors to those from all walks of life so that they too may share in the everlasting presence of God. Together we strive to grow closer to Jesus Christ through the Holy Eucharist. We work to foster the development of the parish, not only to strengthen our own spiritual awareness, but to impact the community as a whole.

GOSPEL MEDITATION: MK 14:12-16, 22-26

As our world faces so much turmoil and change, it is now more important than ever to remember who God is, who we are and where we are going. It is easy to get distracted and lose focus, especially when we are being pulled in so many directions. We can not only lose sight of God but one another. Maintaining our well developed and mature relationships with God and one another is essential to continuing to live, healthy, happy, and focused lives. In a message to young people, Pope Benedict XVI said, "the happiness you are seeking, the happiness you have a right to enjoy has a name and a face: it is Jesus of Nazareth, hidden in the Eucharist." What is true for those who are younger is even truer for those who are older. Regardless of how the particulars of life change over time, human beings are still hard-wired to seek the fullness of life and happiness. How we embark on this journey and what we choose along the way will indicate whether we meet success.

There is so much brokenness and pain in our world. Many people are lost, feeling lonely, anxious, marginalized, victimized, isolated, oppressed, and abused. Every time we receive the Body of Christ, we have an opportunity to become what we eat. The power and presence of Christ in the Eucharist becomes present in us and effects change in ourselves and in the lives of those we meet. We are given the grace to become temples of justice and peace, carrying God's sacred Presence within us wherever we go. Our faith community is ignited

GOSPEL MEDITATION, *Cont'd from page 1*

with the fire of God's love and stands out as a beacon of hope in a world that is lost. This is the only way we can discover peace-filled resolutions to violence and create innovative solutions to what is fueling its need in the first place. True happiness, for the young and old alike, becomes an obtainable goal.

St. John Maria Vianney says it so well. "There is nothing so great as the Eucharist. If God had something more precious, he would have given it to us." Only the Eucharist has the ability to connect, sustain, strengthen, and properly orient us, not only on the road of this life but the road to life eternal. Knowing this, when life gets challenging, unsettling, and difficult, we can rely on and cling to this gift we have in the Real Presence of Christ. This actual encounter with God celebrates God's unconditional love for us and grounds us to the truth of who we are in a way nothing else is able to do. Because through the Eucharist we really do become the Body of Christ, we are also bonded together in a most perfect way to one another as that Body. Nourished, united, and strengthened by the Eucharist, let us individually and collectively, bring this wonderful gift to all we meet, especially the poor with whom we have a special connection.

STOPPING THE “EQUALITY ACT”: KEY POINTS AND STEPS TO TAKE

What is the Equality Act and why should I care? The Equality Act (H.R.5/S. 393) is a bill in Congress that supporters claim is necessary to protect people who self-identify as LGBT from discrimination. All people should be treated with respect, sensitivity, and compassion. In truth, people who identify as LGBT have often suffered unjust discrimination. We Catholics should consider how we can build a more just society for all people. However, the bill would do much more harm than good, to Catholics and non-Catholics alike. Here are some examples, both of direct effects and of other possible consequences that some advocates, courts, and government agencies could create when they interpret and enforce the Act:

- It would likely require **taxpayers to fund elective abortions**, because of the way it redefines “sex” discrimination.
- It would also likely force doctors and hospitals to **perform abortions** even if it’s against their conscience or beliefs.
- It would likely require all employers with more than 14 employees, even religious organizations, to **cover abortions** in their health insurance plans.
- It would restrict people who are struggling with their gender – including **children and teens** who are experiencing this at sky-rocketing rates with great social pressure – from accessing needed help in loving themselves and their bodies; and would instead falsely present life-altering attempts to change sex as their only social and medical option.
- It would mandate that **doctors and counselors** – who help everyone in need regardless of their identifying as LGBT or otherwise – now perform and promote life-altering gender “transitions,” even when they do not think it is in the best interests of their patient.
- It would require even **religious organizations** to cover gender “transition” procedures in their employee health insurance plans, and to retain employees who publicly contradict the organization’s core mission and identity as a ministry of faith.
- It would force girls and women to compete against males in **school sports**, which takes away limited positions on women’s teams and opportunities for college scholarships.
- It would force girls and women to share **locker rooms, gym showers, restrooms, and dorms** with males who self-identify as girls or women.
- It would force vulnerable, sometimes traumatized, girls and women in **shelters** or social services programs to share sleeping, shower, and other spaces with men (and many religious charities that disagree would be shut down).
- It could force women’s **prisons** to be open to men who self-identify as women.
- It would shut down **Catholic foster care and adoption agencies**, which have helped children in need for over a century without discrimination, just for protecting the children’s rights to be in a home with a married mother and father.
- It would mandate that **schools** fully embrace and impose some children’s “gender identity” on other children (in conversations, restrooms, etc.), likely punishing children who disagree.
- It could make schools change their curriculum to falsely **teach children** that they can change their sex, and that doing so and that having same-sex sexual relationships are the only way for some of them to be healthy.
- It could close **Catholic girls’ schools and boys’ schools** or make them co-ed.
- It could put **parents’ custody over their own children** at risk by sending a powerful signal to the state governments that the only kind of people fit to be parents are those who give unquestioning affirmation to even sudden appearances of LGBT self-identification.
- It would force **small businesspeople**, such as wedding or event vendors and custom product makers, to support events that violate their beliefs or be put out of business.
- It could force some **church-owned halls** and properties to host same-sex ceremonies and other events that violate the venues’ faith, and require them to open restrooms to the opposite sex.
- It would reinforce already-mounting efforts to strip churches, and religious schools, hospitals, and other charities, of their **federal tax exemptions** on the basis that their beliefs on marriage, sex, and gender are mere bigotry.
- It would prohibit free and truthful speech by requiring everyone to use others’ “preferred pronouns” and show other support for gender “transition” in workplaces, schools, and more.
- The Equality Act attacks **religious freedom** by making itself a special exception to the bipartisan Religious Freedom Restoration Act, which has never been done before. It would, in sum, make people reject the truth that human beings are created male and female, with the family formed by a married couple as the first building block of society.

PARISH NEWS

CONGRATULATIONS TO DEACON GENE FESTA ON THE 40TH ANNIVERSARY OF HIS ORDINATION TO THE DIACONATE!

Dear Saint Anthony Mary Claret family,

On May 30, 1981, Bishop John Morkovsky ordained me to be a deacon in Houston, Texas. For 29 years I served there until I moved here to San Antonio to retire from teaching. St. Anthony Mary Claret is only the fourth parish where I have been honored to serve.

These past 40 years of ordained service have been a blessing and joy for me. You have been a part of it and I want to thank you for that. On this 40th anniversary, I thank God for calling me to serve him in this special way and ask Him to continue to bless me in my ministry.

Please pray for me and all ordained ministers as we continue each day to answer God's call to serve.

GOD IS GOOD! ALL THE TIME! GOD IS GOOD!

Deacon Gene Festa

FAITH & PRAYER

PRAY FOR VOCATIONS!

Pray for our local seminarians and for an increase in vocations to religious life. This month we especially pray for these two men who are newly ordained.

Fr. Edward Gonzales

Fr. Paul Melgarejo

O Jesus, our great High Priest, hear our humble prayers on behalf of your priests, Fr. Edward and Fr. Paul. Give them a deep faith, a bright and firm hope, and a burning love which will ever increase in the course of their priestly lives.

In their loneliness, comfort them; in their sorrows, strengthen them; in their frustrations, point out to them that it is through suffering that the soul is purified. Show them that they are needed by the Church, they are needed by souls, they are needed for the work of redemption.

O loving Blessed Virgin Mary, Mother of Priests, take to your heart your sons who are close to you because of their priestly ordinations, and because of the power which they have received to carry on the work of Christ in a world which needs them so much. Be their comfort, be their joy, be their strength, and especially help them to live and to defend the ideals of consecrated celibacy. Amen.

The committee also commends to your intercession this order committed to the consecrated life:

Pope Francis' Prayer Intention - June

The beauty of marriage: Let us pray for young people who are preparing for marriage with the support of a Christian community: may they grow in love, with generosity, faithfulness and patience.

O Jesus, through the Immaculate Heart of Mary, I offer You my prayers, works, joys, and sufferings of this day in union with the Holy Sacrifice of the Mass throughout the world. I offer them for all the intentions of Your Sacred Heart: the salvation of souls, reparation for sin, and the reunion of all Christians. I offer them for the intentions of our bishops and in particular for those recommended by our Holy Father this month. Amen.

Intención del Santo Padre Francisco - Junio

La belleza del matrimonio: Recemos por los jóvenes que se preparan para el matrimonio con el apoyo de una comunidad cristiana: para que crezcan en el amor, con generosidad, fidelidad y paciencia.

Dios, Padre nuestro, yo te ofrezco toda mi jornada, mis oraciones, pensamientos, afectos y deseos, palabras, obras, alegrías y sufrimientos en unión con el Corazón de tu Hijo Jesucristo que sigue ofreciéndose a Ti en la Eucaristía para la salvación del mundo. Que el Espíritu Santo, que guió a Jesús, sea mi guía y mi fuerza en este día para que pueda ser testigo de tu amor. Con María, la madre del Señor y de la Iglesia, pido especialmente por las intenciones del Papa y de nuestros obispos para este mes. Amen.
