## Parish Mission Statement

We, the people of St. Anthony Mary Claret Parish, have as our mission to open our hearts and doors to those from all walks of life so that they too may share in the everlasting presence of God. Together we strive to grow closer to Jesus Christ through the Holy Eucharist. We work to foster the development of the parish, not only to strengthen our own spiritual awareness, but to impact the community as a whole.

## GOSPEL MEDITATION: MK 10:35-45

“What do you wish me to do for you?” Whether we realize it, this is a question God is always asking. It’s an important question because the answer we provide will reveal a great deal about where our hearts lie. Our requests of God can often appear very noble and altruistic. They consist of requests for healing for someone in need of prayers, successful resolution of a personal conflict, assistance in overcoming a disease and myriad other desires for both ourselves and others. We are especially concerned about those we love and can easily find ourselves bringing their struggles to God for a hearing in our prayer.

Is that really all that prayer is about? The woman in today’s Gospel, having been put in her place by Jesus, was only looking out for the wellbeing of her sons. She was doing what mothers do, protecting and securing the livelihood of her children. But she was sadly mistaken, her request was not granted. We all make this same misguided mistake from time to time. The goal of prayer is not to convince God of the worthiness of our agenda or to gain a hearing. Sometimes we believe that the more we multiply our prayers or discover the right combination of supplications that we will receive more of God’s attention. That’s not how it works. Even though God desires to hear, know, and be an intimate part of what is on our minds, it goes much deeper.

**GOSPEL MEDITATION, *Cont'd from page 1***

What we need from God is a relationship. It's a relationship that guides and immerses us in the very stuff of life and in the direction of the Gospel. This relationship sees God's kingdom and agenda, not our own, as what is most important. It builds the strength of character necessary to bring God's Gospel into a world that may not receive it with open arms. It may cause us discomfort and suffering. We are asked to heroically journey with God through suffering, hardship, ridicule, and even death! Ultimately, our desire from God must become our desire for God. It is only when this happens that the powerful words "thy will be done" will be found with sincerity and humility on our lips. Whatever God wishes becomes what we wish as we see this glorious union of wills. Our humble lives will then become powerful witnesses, and what happens to us in God's eternal kingdom the result of his mercy. We become true servants and find ourselves discovering God's definition of success. That definition has nothing at all to do with status, income, or privilege. ©LPi

**RESPECT LIFE**

**Dobbs v. Jackson Women’s Health**

**Case Name:** *Dobbs v. Jackson Women’s Health Organization*

**U.S. Supreme Court Docket Number:** 19-1392

**U.S. Supreme Court Oral Arguments Date:** December 1, 2021

**Significance:** Whether all pre-viability prohibitions on elective abortions are unconstitutional.

**Hashtag:** #PrayforDobbs #EmpowerWomenPromoteLife #LifeIsAHumanRight

**Website:** [www.prayfordobbs.com](http://www.prayfordobbs.com)

**BACKGROUND:**

Mississippi’s Gestational Age Act protects the health and wellbeing of pregnant mothers, the life and dignity of unborn children, and the integrity of the medical profession by limiting abortions after 15 weeks gestational age except in medical emergencies or for severe fetal abnormality. By 15 weeks, a baby has a heartbeat, can move and kick, can sense movement outside the mother’s womb, has eyes and eyelids that are beginning to open, can hiccup, and can hear her or his mother’s heartbeat. The people of Mississippi understand that life is a human right and every life deserves to be protected. So, they chose to pass a law to protect unborn children and their mothers. Mississippi’s law is consistent with what more than 90% of countries worldwide already do. In fact, the United States is an extreme outlier in abortion law and policy, being one of only four countries, including China and North Korea, that allows the abortion of a child any time during a woman’s pregnancy.

Shortly after Mississippi’s law was enacted in 2018, the only abortion clinic in Mississippi challenged the law. On May 17, 2021, the Supreme Court granted review of *Dobbs v. Jackson Women’s Health Organization*. The specific question the Court will answer is whether a state may enact limits on abortion before viability, i.e., when the baby is capable of living outside her mother’s womb. The Supreme Court will consider the correctness of its previous rulings in *Roe v. Wade* and *Planned Parenthood v. Casey*, which severely limit the ability of states to protect their interests in unborn life and maternal health. Notably, the State of Mississippi explains in its brief that neither the right to an abortion nor a viability line have any basis in constitutional text or history, and that the medical research into fetal development over the last half century establishes that states have a compelling interest in protecting unborn life at 15 weeks.

More than 80 friend-of-the-court briefs were filed with the Supreme Court in support of the Mississippi law—exceeding the amicus brief filings in an average case multiple times over and resulting in the most amicus briefs ever filed in support of a pro-life law.

**THE BOTTOM LINE:**

The U.S. Supreme Court should affirm that life is a human right and uphold Mississippi’s law.

**TIMELINE OF MISSISSIPPI’S 15-WEEK LAW PROTECTING LIFE AND WOMEN’S HEALTH**

January-March 2018	Mississippi legislature introduces, debates, and passes 15-week law (HB 1510)
March 19, 2018	Mississippi Governor Bryant signs HB 1510; Mississippi’s lone abortion clinic immediately sues to block enforcement
March 20, 2018	Federal district court in Mississippi temporarily blocks law
November 20, 2018	Federal district court rules that Mississippi law is unconstitutional
March 2019	Attorneys file amicus brief in Fifth Circuit on behalf of Mississippi Governor Phil Bryant in support of the 15-week law
December 13, 2019	Fifth Circuit upholds lower court ruling
June 15, 2020	Mississippi petitions Supreme Court to review case
May 17, 2021	Supreme Court grants review
December 1, 2021	Oral arguments to be heard
June 2022	Opinion expected

**Prayer for the USA**

Lord God, king of ages, all powerful and almighty one, have mercy on our country, you who made and transformed everything simply by your will. You are the physician of our souls, the salvation of those who turn to you. We beg you to make powerless, banish, and drive out every diabolic power, presence, and scheme aimed against the United States. Keep at bay and vanquish every evil influence, action, or power invoked against our citizens. Where there is envy and malice, give us an abundance of goodness, endurance, victory and charity. We beg you to reach out mighty arms and come to the aid of America. Help us who are made in your image. Send the Angel of Peace over our country to protect our bodies and souls so that under the protection of your authority may we sing in gratitude, "The Lord is our salvation; whom should we fear?" We will not fear evil because you are with us, powerful Lord, Prince of Peace. Amen.
